Statehouse Happenings

We are now two months into the new General Assembly and things are shaping up to be an improvement over the previous two General Assemblies.

During the first two months of the 134th GA there were only 7 pieces of veteran/military legislation introduced. In the same period of the 135th GA there were 13 introduced. Your law makers of the 136th GA introduced 16 veteran/military related pieces of legislation. Let us hope that the momentum is not short lived and that a high percentage of these bills will make it all the way to the governors desk. The number of hearings also picked up in February as a result.

February 3 - 7

On Wednesday, Chair **Tracy Richardson** (HD-86) called the Veteran and Military Development Committee to order for organizational purposes. There was no testimony given.

February 10 - 14

The House Public Safety Committee meet on Wednesday morning for an informal hearing for House Bill 96. The bill creates appropriations for fiscal years 2026-2027. It is referred by some a the State Operating Budget. First to testify was Deborah Ashenhurst, Director of The Ohio Department of Veteran Services. She talked about how the state funds were used and the need for upgrades and modernization at the two Ohio Veterans Homes as well as the many other needed and worthwhile programs the ODVS does for Ohio veterans because of the support of the legislators.

The next topic was the subsidies to Veteran Service Organizations from GFR Funds. Testimony was heard from (pictured clockwise from top) Jacob Brault of The American Legion Department of Ohio, Carl K. Price of Military Order of the Purple Heart Department of Ohio, Don McCauley of American Veterans (AMVETS) Department of Ohio, Eugene Wilt of Vietnam Veterans of America BSC, David K. Root of Ohio Veterans of Foreign Wars, Bob McCullough of Korean War Veterans Association, and Michael R. Stith of Disabled American Veterans, Department of Ohio. There was also written testimony received.

While that was going on, the Senate Government Oversight and Reform Committee was meeting to hear testimony on SB 21. This was the

second hearing for SB 21 the bill that would designate October 4 as Rutherford B. Haynes Day. There was no testimony received and a motion to favorably pass the bill out of committee was passed with a 7 to 0 vote. On February 19 SB 21 passed on the Senate floor with a vote of 32 to 0.

In the Veterans and Military Development Committee Wednesday morning Director Ashenhurst gave a department overview to the members in a power point presentation. It covered all the major programs the ODVS has going and how they are working with partners around the state for the benefit of veterans.

Representatives **Brian Lorenz** (HD-60) and **David Thomas** (HD-65) presented

sponsor testimony for their House Bill 22 to the members of the House Ways and Means Committee. Their bill would authorize a full homestead exemption for surviving spouses of members of the uniformed services killed in the line of duty.

That afternoon, two bill were on the agenda of the Senate Armed Services, Veterans Affairs and Public Safety Committee. First was the second hearing for SB 17. This bill was introduced by Senators **Michele Reynolds** (SD-03) and **Hearcel F. Craig** (SD-15) to designate March 9th as "6888th Central Postal Directory Battalion Day." The six-triple-eight as it was known was the only all-black women's unit to serve overseas during World War II. Testimony was provided by the founder of Mutt's Sauce, and current Executive Director of the OH Taste Foundation. Written testimony was also received from former State Representative Adam C. Miller. The bill

Sen. Craig (l) & Johnson

passed unanimously in the full senate on February 26.

Sponsor testimony was then presented for the second bill. Senate Bill 39 would create and make available for display a poster

containing information on benefits and services for veterans. Sponsors of the bill are Senators **Terry Johnson** (SD-14) and Craig. And both were on hand for the presentation.

Sen. Patton

February 17 - 21

Tuesday morning the Senate Ways and Means Committee meet and Senator **Thomas F. Patton** (SD-24) presented his sponsor testimony for SB 92. The purpose of his bill is to authorize a total property tax exemption for the homesteads of totally

disabled veterans and their surviving spouses.

On Wednesday the House Ways and Means Committee heard sponsor testimony on another homestead tax bill. This bill would modify the amount of the homestead exemptions and owner-occupancy property tax credit by replacing the standard homestead exemption with a flat property tax credit. The homestead exemption for disabled veterans and surviving spouses of emergency responders would be a flat property tax credit of \$1,500. The bill is House Bill 61 and was introduced by Representatives David Thomas and **Jack K. Daniels** (HD-32).

Reps Daniels (l) & Thomas

In the afternoon the Senate Armed Services, Veterans Affairs and Public Safety Committee was busy. There were four pieces of legislation on the agenda. First was a third hearing for SB 17. Senator Craig asked to amend the bill. He asked that the language be changed from "the only all-Black women's unit to serve overseas during World War II" to "the only unit composed of women of color to serve overseas during World War II". The amendment was approved and then was unanimously passed favorably out of committee. On the 26th it passed on the Senate floor 32-0.

Next on the agenda was SB 39 for a second hearing but there was no testimony. Next up were two resolutions sponsored by Senator **Tim Schaffer** (SD-20) and he provided sponsor testimony for both. SR 21 would urge the U.S. Congress to support the provision of prompt and comprehensive mental health treatment to military personnel and veterans who are suffering from post-traumatic stress disorder and other service-related stress disorders. SR 22 would urge the President of the United States, the United States Secretary of Veterans Affairs, and the United States Congress to take prompt action to reduce the processing time for veterans' disability benefit claims.

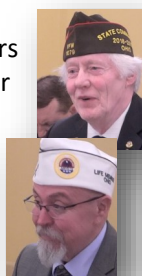

Senator
Schaffer

February 24 - 28

Senate Bill 88, sponsored by Senator Johnson had its first hearing on Wednesday morning before the Senate General Government Committee. The bill would modify the law that prohibits certain governments, businesses, and individuals from acquiring certain real property. Among other restrictions it would extend the prohibition in current law against certain foreign countries, businesses, individuals, and organizations acquiring agricultural land to other real property located within 25 miles of a critical infrastructure facility or a U.S. military base, camp, or airport. The Senator provided testimony on the bill he has named the "Ohio Property Protection Act."

The House Veterans and Military Development Committee did not have any legislation on the agenda Wednesday morning. Instead there were presentations made to the committee members by David K. Root, State Legislative Chairman for the VFW Department of Ohio and Don McCauley, Executive Director of American Veterans (AMVETS) Department of Ohio. They gave information presentations about what their organizations do, how the legislature helps them with funding and what their future needs might be.

Root (top) & McCauley

Later in the morning the House Ways and Means Committee heard sponsor testimony from Representatives Richardson and **Michael D. Dovilla** (HD-17) on House Bill 40. Their bill would increase the enhanced homestead exemption for certain disabled veterans. It would increase the current exemption for a homestead from \$56,000 of its value to \$100,000 of its value for disabled veterans with an income below \$125,000. If their income is above that threshold, they would continue to get an exemption on the \$56,000 of its value. Both Richardson and Dovilla provided testimony.

Reps Richardson (l) & Dovilla

The last hearings on veteran/military legislation for the month was in the Senate Armed Services, Veterans Affairs and Public Safety Committee. SB 39 was

first for its third hearing. There was no testimony provided and the committee favorably passed it out of committee with a 6 to 0 vote.

Paige (top) & Root

SR 21 had its second hearing.

Written testimony was received from Brault of the Ohio American Legion. Testimony was presented by Ohio VFW's Root and a Navy Veteran who served as a Hospital Corpsman. Following SR 21, testimony was given in support of SB 22 from the same three individuals. We don't usually bring the civilians into our articles but this time is an exception. The Navy Corpsman gave two very moving testimonies. His words came straight out of his memories and experiences. They came from his heart and from the depth of his soul. His name was Timothy Paige and he worked with Senator to draft both resolutions. Our hat is off to him.

Nominations Being Accepted Now

Chances are you know a veteran who continues to serve selflessly in their post-military life — a former service member who is going above and beyond to impact others.

Each year, the Ohio Veterans Hall of Fame inducts up to 20 veterans who have contributed to our communities, state, and nation through exceptional acts of volunteerism, advocacy, professional distinction, public service, or philanthropy.

The deadline for submitting nominations is June 1 and we want to hear from those who know former service members who are excelling and making a difference in society.

Learn more about the Ohio Veterans Hall of Fame, see the complete list of inductees, and fill out a nomination for a deserving veteran in your life at OhioVets.gov.

A bill is a document by which a member of the General Assembly proposes to enact a new law or amend or repeal an existing law. The term "bill" is used to refer to the document from the time it is drafted and delivered to the member until it is considered and approved by both the House and the Senate. After passing both houses, a bill becomes an "act" and must be presented to the Governor for acceptance or rejection. If accepted, or if the Governor does not take any action for ten days, it becomes a "law."

An idea for a new law or a change in an existing law might originate with a member of the General Assembly, an administrative agency of the state, the Governor, a special interest group, or a private citizen.
